Personal profile

SUMMARY

I am K.S.ABISHEK, a passionate and ambitious **data analyst** with a strong background in **machine learning, AI, and business intelligence**. With expertise in Power-BI, Python, and SQL, I've worked on over **20+ PowerBI dashboards and 15+ analytics projects**, constantly pushing my skills forward. My academic journey has led me to **publish research in healthcare and DBMS algorithm analysis**, and I thrive in solving real-world problems through innovation. From **winning hackathons** like Code-Med and technical symposiums like Convergence22 to being **ranked as a top creative writer**, I embrace both technical and creative challenges. I'm deeply committed to mastering AI, while also sharing my knowledge through **teaching, research, and hobby projects** like building Streamlit apps. My experiences have shaped me into a versatile professional, always looking for the next opportunity to grow and contribute.

ACHIEVEMENTS

- **Code-Med Genesis22 Winner:** Won 2nd Place in Code-Med Hackathon on Patient Data Management organized by Madras Medical College & Rajiv Gandhi Govt. General Hospital.
- **Top 500 Writers:** Ranked 72nd out of 98,500+ creative writers on a national platform at Hashtag Kalaakar.
- **Best Speaker:** Represented Odisha in a Mock Parliament organized by SSEC, securing 2nd Place among 100+ delegates after discussing critical issues.
- **Convergence22 Winner:** Won 2nd Place at Convergence22, a national-level technical symposium at SSEC, delivering a speech on the role of chemistry in the evolution of artificial organs.
- **Invente23 Winner:** Secured 1st Place in Shark Tank event by solving a market entry case for an ambiguous product, applying a 2-point strategy based on the IVY Case system.
- **Genesis23:** Ranked 4th in the Heal Tank Event and awarded a 10% scholarship for NEET-PG training with 5-year validity.
- **Project Euler:** Ranked in the top 5% internationally in Project Euler+ on HackerRank.
- **ICST23 International Conference:** Presented a research paper on hydrogen fuel at ICST-2023.
- **Sparkle24 B&T Winner:** Won 1st Place at Block & Tackle, a competition conducted by the Literary Club at SSEC and SSIT.
- **Kaggle Contributions:** Uploaded datasets on Kaggle with over 20,000 views and 2,500+ downloads.
- **Top 160 Writers:** Ranked 153rd in a national-level poetry competition organized by S7 Poetry.
- **Speechcraft 2.0 Winner:** Won 1st Place in Speechcraft 2.0, conducted by IEEE at SSEC.

Dear ABISHEK K S,

Thank you for submitting your chapter proposal, "Exploring the Landscape of Remote Patient Monitoring Systems in India," for the upcoming book, "Technologies for Sustainable Healthcare Development." After reviewing your recent proposal, I believe the topic of your proposed chapter is consistent with the theme of this book and could make a significant contribution to this project. I therefore encourage you to begin preparing your full chapter and submit a copy before Thursday, February 29, 2024 at the following URL:

<https://www.igi-global.com/submission/submit-chapter/?projectId=1028de60-e626-4f80-b868-577339d32a49>

Please note that you will be asked to create an account prior to uploading your chapter to the system. This is to ensure the security of your work and to assist you in organizing your materials for submission, receiving and providing peer reviews, and making any necessary revisions to your chapter. For information on creating and accessing your web account, please view a tutorial at www.igi-global.com/publish/contributor-resources/book-submission-system/video-guide/#creating-a-user-account.

IGI Global requires that all manuscripts submitted for consideration to our publications be professionally copy edited.
